

51 projects on 20 different campuses

Collaborative team approach provides continuity from preconstruction through project completion

Dedicated partner; we are sensitive to your needs and safety requirements

"I would like to express my sincere appreciation to you and the rest of the project team at Erland for a safe, smooth, and rewarding construction experience. Your attention to detail, willingness to work with our needs, and dedication to delivering a quality product were impressive."

John M. Waters; Head of School; The Pike School
