

Deerfield Academy Residence Hall / Deerfield, Massachusetts

Architect:

ARC/Architectural
Resources Cambridge

Area:

22,000sf

Building Use:

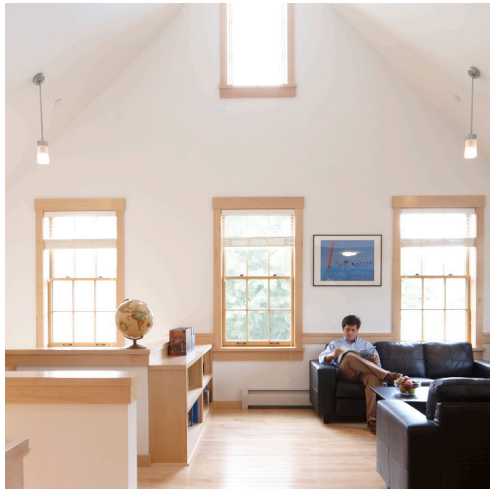

Residence Hall

Campus Size:

280 Acres

Grades:

9-12

Erland managed the construction of this new 22,000 square foot student/faculty residence hall, teaming with ARC/Architectural Resources Cambridge.

The two-story, wood-framed structure features three faculty apartments and 30 single bedrooms for students. It also has common rooms, a game room, two bathrooms, thermal solar panels, and a slate roof.
